

MUTUAL CONFIDENTIALITY AND NON-DISCLOSURE AGREEMENT

This Agreement is entered into by and between the Participating Parties subject to the covenants set forth herein.

1. Definition of Proprietary Information

All data, specifications, algorithms, and models disclosed directly or indirectly shall remain strictly confidential.

2. Term and Invariant Obligations

The recipient agrees to protect all proprietary assets with the same standard of care as its own critical infrastructure.

IN WITNESS WHEREOF, the parties execute this instrument.
